PRAYER AND FAITH

James 5:15

And the prayer offered in faith will restore the one who is sick, and the Lord will raise him up, and if he has committed sins, they will be forgiven him.

Nothing could be more fundamental to prayer than faith. We are to "pray in faith." What does that mean? I believe that it implies at least two things. It certainly means that we have put our faith in God and that we are sure that He exists. If we did not have this type of faith it is doubtful that we would pray.

It also means that we pray trusting that God hears our prayers. The prayer mentioned in James 5:14, 15, prayer for the sick, is to be "offered in faith." In James 1:6, those who pray for wisdom are to "ask in faith." We should expect God to hear our prayers.

A man came to Jesus' disciples in a time of desperation. His son was possessed with a spirit that made him mute. The disciples should have been able to drive out the evil spirit, but they could not. Imagine this man. His child is afflicted and cannot speak, even to his own father. He sees Jesus as the only hope. Is there anything Jesus can do? The man is not sure, but he has no other place to turn.

With whatever degree of faith he had, he cried out to Jesus. "If you can do anything, take pity on us and help us." (Mark 9:22). Jesus' response was immediate. "If you can?" "All things are possible to him who believes" (V. 23). The boy's father cried out "I do believe; help my unbelief." His faith was struggling but it was still faith. Jesus answered his request. This is a story about a man who has the type of faith we need when we pray to a God of all power. We pray believing that he will hear his children.
