Youth Day Memories

I promise this is the last article on Youth Day for this year! Last week's article was printed before Youth Day, so I couldn't really thank everyone properly, but now I will. There are a few people who went above and beyond the call of duty.

I want to thank **Jeff and Tammy Glidden** for all of their hard work. Jeff did a fantastic job designing our t-shirts, and Tammy did a great job with the decorations. A big thank you to **Jon, Judy, Sarah, Anna, and Jonathan Holland** for their hard work with the decorations. Jon led one of our breakout sessions and did an awesome job! He has a talent for leading and uses that well in God's service. I also want to thank **Ron and Janie Harper** for supplying the pizza and **Danny and Lori Cantrell** for organizing the outside activities. The youth really enjoyed the inflatable climbing wall. Thank you to all the members of the youth group who showed up early to help with greeting and welcoming. A special thank you to the young people who invited their friends and started Facebook groups. This was one of the main reasons why we had over 190. I thank all of those who helped set up, serve lunch, and clean up. You deserve to be congratulated on a job well done!

The speakers were excellent and we had two young people restore their lives to Christ. What an excellent weekend! This could not have been done without your help and **I thank you!** If I left anyone out in error, please forgive me.

Have a great week!
Stephen
